On March 5, 2025, **Dr. S. Shobha Rani**, Regional Joint Director of Collegiate Education (RJDCE) for Zone II, visited Government Degree College, Chintalapudi, Eluru District. During her visit, she reviewed the academic records of all departments, Teaching-Learning Process (TLP) app reports, and Facial Recognition System (FRS) reports. She also interacted with the students and faculty members, encouraging them to contribute to the college's growth and future development.

As part of the visit, Dr. Shobha Rani inaugurated the SOUL Software in the college library, which is expected to enhance the library's digital management system. Additionally, she launched the book "*Khammam Jilla Aadeewasi Vignanam*", authored by the college Principal.

The visit served as a motivation for both teaching and non-teaching staff, reinforcing the commitment to academic excellence and institutional progress.

Celebration of International Women's Day-2025

The Women Empowerment Cell (WEC) of Government Degree College, Chintalapudi, celebrated *International Women's Day-2025* on March 7, 2025, under the chairmanship of Vice-Principal Sri N.J.K. Narendra Kumar.

As part of the celebrations, the senior-most faculty member, **Mrs. K. Ratna Kumari**, was honored in recognition of her over 35 years of dedicated service to the government and her significant contributions to educational institutions, spanning from the school level to the degree level.

To promote awareness about inspirational women personalities, an interactive quiz, "**Identify the Famous Indian Women**," was conducted. Students actively participated, and prizes were distributed to the winners.

During the event, WEC Coordinator, Mrs. D. Winnie Teja emphasized the importance of women's empowerment and the need to encourage leadership qualities among female students. Lt. G. Jeevana Mounika spoke about gender equality and self-reliance, while Mr. V. Madan Mohan, Dr. A. Venkateswara Rao, Smt. T. Maha Lakshmi, and V. Kavitha shared their insights on women's empowerment and their contributions to society.

The event saw enthusiastic participation from students and faculty, making it a memorable and impactful celebration in honor of women's empowerment and their achievements.

On March 10, 2025, Government Degree College, Chintalapudi, observed the death anniversary of **Savitribai Phule**, a pioneer of women's education and social reform in India. The event was held under the leadership of Principal Dr. P. Sreenivasa Rao, with active participation from faculty, students, and staff.

During the program, the Vice-Principal Sri N.J.K. Narendra Kumar and Prof. A. Venkateswara Rao highlighted Savitribai Phule's immense contributions to education, women's empowerment, and social justice. They emphasized her role in breaking societal barriers and advocating for the rights of marginalized communities.

The event included tributes to Savitribai Phule, with faculty members, NSS coordinator, and student representatives garlanding her portrait and sharing insights about her progressive vision and enduring legacy.

Date: 15.03.2025**Swachha Andhra Programme**

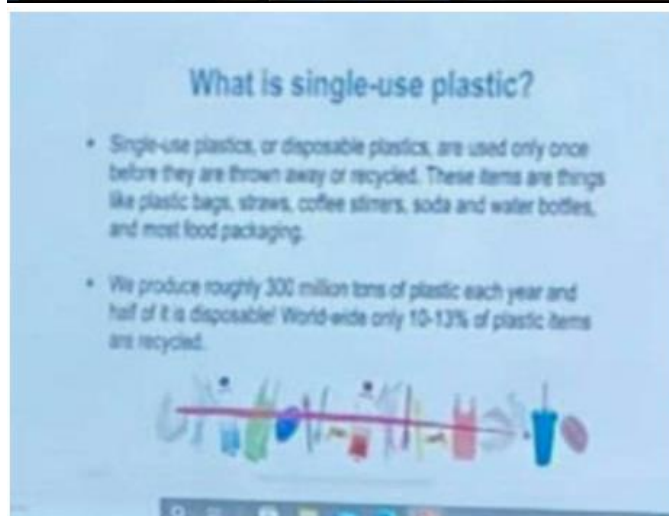

On March 15, 2025, Government Degree College, Chintalapudi, successfully organized the Swachha Andhra Program under the auspices of the Swarna Andhra Swachh Andhra Committee.

As part of this initiative, which is conducted on the third Saturday of every month by the State and Central Governments, Principal Dr. P. Srinivasa Rao emphasized the importance of creating a clean, healthy, and sustainable future by saying no to single-use plastic.

On this occasion, Committee Coordinator Dr. A. Venkateswara Rao educated students about what single-use plastic is, its harmful effects, preventive measures, and relevant government regulations through a practical demonstration.

Following this, a campus cleanliness drive was carried out under the supervision of various departments. The event saw enthusiastic participation from Vice Principal Sri N.J.K. Narendra Kumar, Lt. G. Jeevana Mounika, faculty members, department heads, and students.

The program effectively raised awareness about environmental conservation and the importance of adopting eco-friendly practices.

Date: 15.03.2025**Awareness on Ban on Single Use Plastics**

On March 15, 2025, the Department of Botany organized an awareness program on banning single-use plastics as part of the *Swacha Andhra-Swarna Andhra (SASA) initiative*, following directives from the Government of Andhra Pradesh and DCE, Mangalagiri. The event featured a lecture by V. Madan Mohan Rao, Incharge of the Department, highlighting the environmental hazards of plastic waste, followed by a live demonstration on eco-friendly alternatives in collaboration with other departments and the SASA committee. The campaign effectively raised awareness among students, faculty, and staff, significantly reducing plastic use on campus. Moving forward, the department aims to promote sustainable practices and conduct regular awareness programs. The program effectively raised awareness about environmental conservation and the importance of adopting eco-friendly practices.

Date: 18.03.2025**Interaction with Prohibition and Excise
Department-EAGLE CLUB**

On March 18, 2025, the EAGLE Club members, Dr. A. Venkateswara Rao, Lecturer in Chemistry and Lt.G.Jeevana Mounika, Lecturer in Physics of Govt. Degree College, Chintalapudi, engaged in an interactive session with the Prohibition and Excise Department of Chintalapudi. The discussion focused on implementing various initiatives to ensure a drug-free campus. Officials provided insights into the harmful effects of substance abuse and the legal measures in place to prevent it. Students actively participated, sharing their ideas and committing to spreading awareness among their peers. The department assured support in conducting awareness programs and monitoring campus activities. This interaction marked a significant step toward fostering a healthier and safer academic environment.

Date: 19.03.2025 *Faculty presented research paper in International Seminar*

Dr. G. Srinivas, Lecturer in Telugu at Govt. Degree College, Chintalapudi, participated in an International Seminar held at Andhra Loyola College, Vijayawada, on March 19, 2025. He presented a research paper on the topic "*Maha Prasthanam - Geya Nepadyam,*" offering an in-depth analysis of the poetic and lyrical aspects of Sri Sri's renowned work. His presentation was well-received by scholars and academicians, fostering meaningful discussions on modern Telugu poetry. The seminar provided an excellent platform for intellectual exchange and scholarly growth. Dr. Srinivas's participation brought recognition to the college's academic contributions in the field of Telugu literature.

Date:**19-20
March
2025****Participation in International Conference at
Acharya Nagarjuna University, Guntur**

Botany students along with staff, Mr. V. Madan Mohan Rao, HOD, Department of Botany and Ms.V.Kavitha, Lecturer in Horticulture of Government Degree College, Chintalapudi participated in two-day **National Conference on Climate Change** held at Acharya Nagarjuna University, Guntur, on **March 19-20, 2025**. Organized by the **Department of Botany and Microbiology**, the conference featured keynote speeches, panel discussions, and poster presentations on climate change impacts, mitigation strategies, and policy frameworks. Our students engaged with experts, gained valuable insights, and explored research opportunities in the field. This experience enriched their academic learning and emphasized the importance of addressing climate change through education, research, and collaboration. Principal Dr.P.Sreenivasa Rao appreciated the active participation of the students and staff in the conference.

Date: 20.03.2025***Dept. of Botany-Botanical lab and Garden Visit***

On **March 20, 2025**, Botany and Horticulture students of Government Degree College, Chintalapudi visited a **research laboratory and botanical park** at Acharya Nagarjuna University, Guntur, along with the faculty, Mr. V. Madan Mohan Rao, HOD, Department of Botany and Ms.V.Kavitha, Lecturer in Horticulture, as part of an academic enrichment program to gain practical exposure to scientific research and botanical studies. The visit began with a guided tour of the laboratory, where students observed ongoing research projects, advanced equipment, and laboratory techniques. Researchers provided demonstrations and engaged students in discussions on the latest advancements in the field. Following this, students explored the botanical park, which featured a diverse collection of plant species from around the world. They learned about the unique characteristics, adaptations, and ecological importance of various plants through an interactive tour. This visit helped bridge the gap between theory and practice, giving students firsthand experience in scientific research and its applications in biodiversity and conservation. It enhanced their understanding of plant sciences and research methodologies.

Date: 22.03.2025***World Water Day***

On March 22, 2025, the Department of Botany organized an awareness program on World Water Day to highlight the importance of water conservation and sustainable management. The event featured a PowerPoint presentation by V. Madan Mohan Rao, Incharge of the Department, followed by a lecture on "Water Conservation and Sustainable Management" by guest lecturers. Students actively participated by placing awareness stickers at drinking water points and key locations on campus. The program successfully raised awareness about water scarcity, its impact on ecosystems, and the need for conservation efforts. The department aims to continue promoting sustainable water management practices through future initiatives.

Date: 22.03.2025

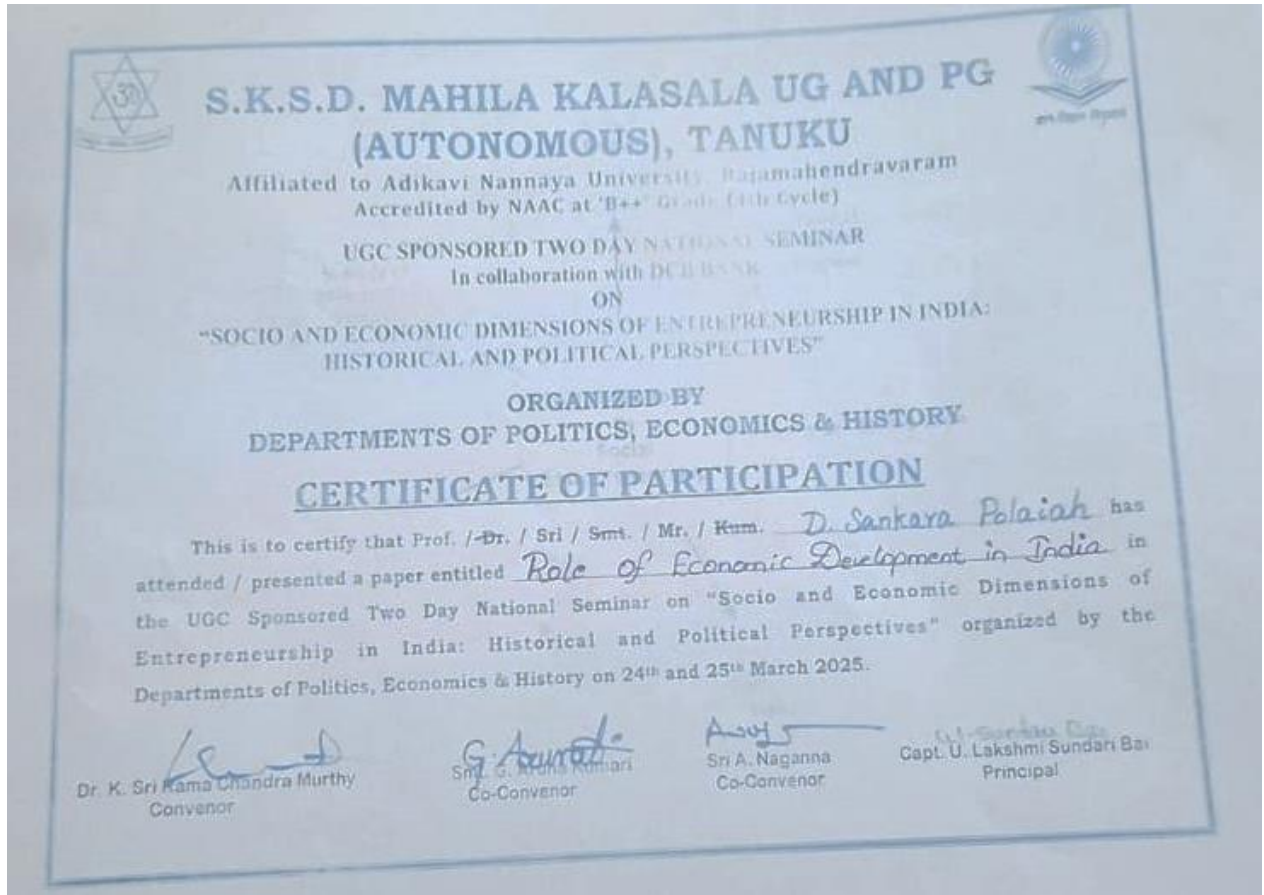

Faculty Participation in National Seminar at ANU, Guntur

Dr. G. Srinivas, Lecturer in Telugu at Govt. Degree College, Chintalapudi, participated in an National Seminar held at Acharya Nagarjuna University, Guntur, on March 22, 2025. He presented a research paper on the topic "*Paleru Natakam-Venkanna Paatra Chitrana*," offering an in-depth analysis of the poetic and lyrical aspects of Dr. Boyi Beemanna's renowned work. His presentation was well-received by scholars and academicians, fostering meaningful discussions on modern Telugu poetry. The seminar provided an excellent platform for intellectual exchange and scholarly growth. Dr. Srinivas's participation brought recognition to the college's academic contributions in the field of Telugu literature.
